Dear Parents

**Education is the passport to the future,
for tomorrow belongs to those who prepare
for it today**

- Malcolm X, world fame social reformer.

You all share the same belief & have traversed years with Delhi Public School, Hajipur with your precious children enrolled in the institution, believing in its motto and vision.

As we know the darkest of hours of history have been welcomed by a vibrant sunshine, so will the days of gloom be overcome by us as Delhi Public School, Hajipur has been acquired by the **SANSKRITI EDUCATION TRUST**, promising a complete make-over of its Academic Level, Faculty & infrastructure. The new management is all out to prove its mettle in the education sector with appointment of new captain of the ship and an excellent crew that will restore your confidence on our organization in no time.

Sanskriti Education Trust is all out in their massive take over and subsequent investment of a colossal nature to pull up the institution to its glory befitting Delhi Public School and I, as the new Principal of the institution assure you of a complete transformation of the school towards its transcending glory and etch the saga of long lasting relationship with you all. Your support that has been extended to us in terms of giving your lovely children's future in our deft hands will be amply rewarded through their academic, holistic and overall enlightenment.

I, Ms. Nilanjana K Jha, Principal, Delhi Public School, Hajipur, have already taken charge of the institution from 5th of February, 2025, and will be available from 25th of February, 2025 to start interacting with you all. I had been educator and educationist for the last 25 years of my life traveling far and wide in the country's metropolitan cities, acquiring academic and administrative experience in the best of CBSE schools. My journey has been a wonderful one from DAV Public School, Barauni Refinery that proudly presented 4000 students at any point of time to Delhi Public School Kolkata (Ruby Park) that hails 8000 students' strength.

I am, thereby, confident that Delhi Public School, Hajipur can be taken to new heights of pedagogical and curricular transcendence. We as a team shall impart CBSE curriculum to your wards in a way never experienced earlier, which will be conducive to the goal of NATIONAL EDUCATION POLICY, 2020. Our staff from session 2025-26 will constitute the best of minds from CBSE faculty on English, Mathematics, Physics, Chemistry, Biology and Social Science, hand-picked meticulously from all over India. The very next session will provide you the insight of change that we have already initiated and CBSE curriculum intricately woven into high-stake Entrance Examinations of National level. I would extend my heartiest gratitude for the support you extended till date and beseech you to believe in us in future that will definitely not end in disappointment. My door is open to you at all points on which you need clarification and I am ready at all times to seek resolution to your problems and doubts. Ushering a new era for DELHI PUBLIC SCHOOL, HAJIPUR, I request your cooperation so that we can walk together to the newer and brighter days.
